SPONSORSHIP OPPORTUNITIES

The Canterbury region of the Careers and Transition Education Association of Aotearoa are excited and proud to host the 2021 Annual National CATE Conference in Ōtautahi, Christchurch from 24-26 November 2021. This conference will be hosted at the soon to be constructed state of the Art Te Pai, Christchurch Convention Centre, on the banks of Ōtākaro, the Avon River. The 2021 conference will be in high demand as representatives from education across Aotearoa seek to explore the rebuild of Christchurch alongside discussions on Careers and Transition Education.

The theme for the 2021 CATE conference is based around people: 'He Tangata'

The conference will have 3 key sub themes:

Hauora, Well-being

Whai wahitanga, Opportunity

Heke Mai, Future

The CATE Conference is primarily targeted at Careers professionals working in secondary education. This includes Careers Advisors, Senior Leaders, Gateway and STAR coordinators. It traditionally attracts Private Careers Practitioners and those working to facilitate positive youth transitions, such as Tertiary Providers, Private Training Entities and Industry Training Organisations.

Please find listed on the next few pages a number of sponsorship opportunities available for your perusal. We value your consideration and participation and packages can be adjusted to suit particular needs.

The aim of the conference is to showcase the people involved in enabling successful transitions for students into tertiary training and the workforce. The conference will again have a digital focus, with a conference app. If you have any innovative ideas or suggestions, we would welcome you to make contact and discuss these with us in person.

The Christchurch CATE team.

He aha te mea nui o te ao

What is the most important thing in the world?

He tangata, he tangata, he tangata

It is the people, it is the people, it is the people
